# **BARAKA** MWENDA KARURU

**VIDEO EDITOR**

# RÉSUMÉ

## PROFILE

The idea of capturing moments in history through a well-organized and engaging storyline truly fascinates me. The rush of emotions that consumers get while watching such masterpieces is what drives my passion for video editing. Whether its long-form or short-form video content, my ambition and excitement lie in the creativity that editing holds and seeing an idea come to life. I am truly dedicated towards growing my knowledge and skill set even further. I consider an opportunity in this realm as a partnership, in the sense that I will use my passion and skills together with your requirements to create and monitor professional and engaging content that meets the needs of the specified audience.

## PERSONAL DETAILS

Address: P.O. BOX 292-00521
Nairobi, Kenya

Phone: +254708088658

Email: barakamwenda1@gmail.com

## SKILLS

- Emotional Intelligence
- Adobe Premiere Pro
- Adobe After Effects
- Video Production
- Storytelling
- Creativity

## INTEREST

## EDUCATION BACKGROUND

**2020 – 2024:** **AFRICA NAZARENE UNIVERSITY**
Achievements: Degree in Business and Information Technology.

**2016 – 2019:** **NOVA PIONEER**
Certificate Attained: Kenya Certificate of Secondary Education

## EXPERIENCE

**2022:** Director of a full service production and creative design startup company in Kenya offering film, photography, design/branding and Motion Graphics. (I-SPLIT CONCEPTS)

**2022-2023:** Participated in Video production and editing projects for various clients including hotels, churches, makeup brands and also long-form informative content with thousands of views.

**2022-2023:** Edited 10+ Personal Projects including vacations, special moments with friends, and cinematic short-form content.

**2024:** Started a Youtube Channel as a part-time activity, recording and editing viral videos.

## AREAS OF EXPERTISE

**Emotional Intelligence:** Through my previous social media engagement, I have learned how good videos are created and what exactly makes them successful. Understanding the human mind and its reward system, along with portraying emotions through a creative video timeline, has given me a competitive advantage.

**Adobe Premiere Pro:** I completed an 8-hour course on Adobe Premiere Pro in 2021, and since then, my understanding has continuously improved through constant practice.

**Adobe After Effects:** In addition, I completed a 10-hour course on Adobe After Effects in 2021.

**Video Production:** Owning a Canon EOS 90D along with other production equipment, my partner and I have worked with nine professional clients through our service production and design company.
